

NLG Hammer Holster

Product Code:
101496

Max Load:
5 KG / 11 LBS

OVERVIEW

The NLG Hammer Holster is a simple and secure solution for storing your hammer. Featuring a unique cradle arm system that makes it effortless to dock the hammer but helps prevent lanyard snagging, the NLG Hammer Holster is designed to keep your tools secure and easily accessible.

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
